

Front-end Developer

Sina Kheiri

SUMMARY

As a **Front-end** developer with **4 years of experience**, I possess a diverse skill set in my field of work.

- Proficient in **Next.js**, **React**, and **TypeScript**, with experience in Supabase.
- Committed to delivering **clean code**, high-quality projects, and exceptional user interfaces, all while maintaining **performance**.
- Always staying **up-to-date** to align with **best practices**.
- Familiar with **UI design** principles, including the creation of **user personas**, **wireframes**, **prototypes**, and **high-fidelity designs** using **Figma** and **Adobe XD**.

EXPERIENCE

Senior Front-end Developer

June 2024 - Present

Sugimoto visa 📍 Tehran, Iran

Full-time Hybrid

- Managed projects** and **Reviewed code** for efficiency and reliability and provided feedback to teammates
- Developed a **Boilerplate repo** and defined **Project structure**, **Naming conventions** and **Tools** for all future projects.
- Implemented **Next.js app router** And **Server components** to increase performance.
- Harnessed the power of **Supabase Authentication** by using **Form actions**.
- Designed **Database tables** for various features and handled data by combining **React query** and **Supabase cache helpers**.
- Improved code maintainability by utilizing **Typescript** and its advanced features(**Generics**, **Decorators**, ...).
- Created responsive **Progressive Web Apps**
