Mohamad Sina Kheiri

Front-End Developer(Next.js/React.js)

As a **Front-end developer** with **4 years of experience**, I possess a **diverse skill set** in my field of work. With a strong focus on delivering **clean code**, **high-quality projects** and **exceptional user interfaces**, I am committed to staying **up-to-date** with the latest industry trends and best practices.

I also have the knowledge and skills for UI Design and I have created **User personas, Wireframes, High fidelity projects** and **Prototypes** using **Figma and Adobe XD**.
