Front-end Developer
Sina Kheiri

SUMMARY

As a **Front-end** developer with **5 years of experience**, I possess a diverse skill set in my field of work.

- Proficient in **Next.js, React**, and **TypeScript**, with experience in **Supabase** And **Web3**. Beginner but enthusiast in 3d web apps using **Three.js**.
- Committed to delivering **clean code**, high-quality projects, and exceptional user interfaces, all while maintaining **performance**.
- Always staying **up-to-date** to align with **best practices**, and always trying to **learn more.**
- Familiar with **UI design**, including **user personas, wireframes, prototypes**, and **high-fidelity designs** in **Figma** and **Adobe XD.**

EXPERIENCE

Senior Front-end Developer
📅 June 2024 - Present
Sparkbridge 📍 Vancouver, Canada   Full-time Remote

- **Oversaw projects** development and performed **code reviews** to enhance efficiency.
- Engineered a **standard boilerplate** repository to **streamline onboarding** and ensure **project consistency**.
- Implemented **Next.js app router** And **Server components** to increase performance.
- Designed **Database tables** using **Supabase** and developed various features by combining **React query** and **Cache helpers**.
- Improved code maintainability by utilizing **Typescript** and its advanced features**(Generics, Decorators, …)**.
- Maintained a clean repo using **Commitizen** and **Husky** and documented projects with the help of **Story Book**.
- Created responsive **Progressive Web Apps(PWA).**
